MODULE 14

SAP

Enter enterprise technology and business systems

LEARN A SKILL • BUILD PROOF • CREATE YOUR NEXT OPPORTUNITY

Learn how organizations manage finance, sales, procurement, inventory and operations through SAP — and understand the business behind the software.

WHO CAN JOIN?

Graduates, commerce/business learners, engineers, non-IT graduates, freshers and career switchers.

WHY STUDENTS CHOOSE THIS PATH

- Beginner-friendly learning path — start with the fundamentals and progress step by step.
- Practical, project-focused training — learn by building instead of only watching lectures.
- Career-oriented skills — connect every topic to real applications and workplace use.
- Portfolio advantage — finish with projects you can discuss in interviews.
- A new direction is possible — your previous degree does not have to decide your entire career.

CAREER DIRECTIONS

SAP Functional Trainee • SAP MM/SD/FI Beginner • SAP ABAP Beginner • SAP Support/Consulting Trainee

YOUR JOURNEY

Learn → Practice → Build → Create a portfolio → Prepare for interviews → Apply your skills in real-world situations.

Note: Training improves skills and employability; employment depends on individual preparation, portfolio quality, interviews and available opportunities.
